A ALL HOUSEHOLDS

1. Make sure family and property are safe. No gas leaks, no fires, no other hazards.
2. Assemble at designate household meeting location.
3. Post colored paper status indicator on front door or window.
4. Report status to your block captain or neighboring block captain or command post.
5. Contact family outside of emergency area.
6. Tune FRS radio to channel 13. Monitor radio and TV.
7. If able, go to command post and assist others.

Each household should have 3 months supply of food and water.

Each household should have a 72 HR evacuation kit

EMERGENCY COMMUNICATION

1. Telephone.
2. Mobile phone. Texting may work better.
3. Email. Dependent on power and Internet.
4. Family Radio Service (FRS) ch. 13.
5. Amateur Radio - License required.
6. Runners. - Go in pairs if possible.

B BLOCK CAPTAINS

1. Complete 1-6 in ALL HOUSEHOLDS.
2. Get status of residence in your block and fill out Block Report.
3. Communicate status and needs to command post.
4. Monitor changes and needs in your block.

BLOCK CAPTAIN DEFINITION:

The Block Captain is a neighbor who has accepted the assignment to be a principle communications conduit for a group of homes.

BLOCK CAPTAIN PRE-EMERGENCY ACTIONS:

1. Get to know the people on your block.
2. Find assistants to help in case you are not home.
3. Make a kit that includes the Block Report form and an FRS radio.
4. Distribute colored paper and train on color meanings.

COLORED PAPER MEANINGS

GREEN- All OK
YELLOW – Injury-but not life threatening
RED- Need immediate help
BLACK – Death occurred.
